# U.S. government “authorized” COVID injections by misapplying laws forged to deal with weapons of mass destruction

It has [come to light](#) that the way the military-industrial complex and Big Pharma were able to pull off Operation Warp Speed was through the use of rushed medical countermeasure policies that were implemented to deal with weapons of mass destruction (WMDs).

Debbie Lerman, a graduate of [Harvard University](#) and retired science writer, published a report on Wuhan coronavirus (COVID-19) "vaccines," and specifically those of the mRNA (modRNA) variety, were unleashed without the normal restraints of law and regulation precisely because the purveyors of the so-called "pandemic" manipulated the law in their favor.

"The COVID-19 mRNA vaccines were acquired and authorized through mechanisms designed to rush medical countermeasures to the military during emergencies involving weapons of mass destruction (WMD)," Lerman writes. "These mechanisms did not require the application of, or adherence to, any laws or regulations related to vaccine development or manufacturing."

"The *Food and Drug Administration's* (FDA) Emergency Use Authorization for the vaccines was based on clinical trials and manufacturing processes conducted with no binding legal standards, no legally prescribed safety oversight or regulation and no legal redress from the

manufacturer for potential harms. (This last point is being challenged in multiple court cases, so far to no avail.)"

## **COVID, Operation Warp Speed a military and bioweapons assault on We the People**

In many ways, COVID was a vehicle the deep state created to usher in a new paradigm of medical *lawlessness* and rampant medical *fascism*. In the process, the globalists also unleashed an actual pandemic of "suddenly died" cases, as well as myocarditis, pericarditis and "turbo cancers."

"What all of this means is that none of the laws or regulations that we count on to protect us from potentially harmful, or deadly, medical products was applied to the COVID-19 mRNA vaccines," Lerman maintains.

"The assertion of 'safe and effective' was based entirely on the aspirations, opinions, beliefs and presumptions of government employees."

Another abnormal aspect of the way COVID jabs were unleashed by the Trump regime via Operation Warp Speed is the government contracts that were established with the likes of Pfizer.

Pfizer-BioNTech contracted with the United States government to produce 100 million doses of a "vaccine to prevent COVID-19." That contract was for *at least* \$1.95 billion with the option to add more doses to the pipeline.

Much like what the U.S. government did after the 9/11 false flag by launching the "war on terror," the powers that be (TPTB) used COVID to launch a war on the "virus," relegating all of the usual laws and constitutional restraints straight into the dustbin.

"The government declared that we were 'at war' with a catastrophically dangerous virus that would kill millions and millions of people of all ages unless we could develop 'medical countermeasures' (a military term) and get everyone to take them as quickly as possible," Lerman writes.

It must be stressed that on the government's side of the deal in all this, the *Department of Defense* (DOD) admitted that the agency and its allied organizations would be "charged exclusively with military objectives."

"This is crucial, because the laws and procedures governing military procurement have a very different set of assumptions and cost-benefit considerations than those used in civil society,"

Lerman says.

"In fact, agencies governing civilian and public health, such as the National Institutes of Health, the National Institute of Allergy and Infectious Diseases and the *Department of Health and Human Services*, do not have the authority to grant certain types of special acquisition contracts, which is why the COVID-19 vaccine contracts had to be overseen by the DOD."

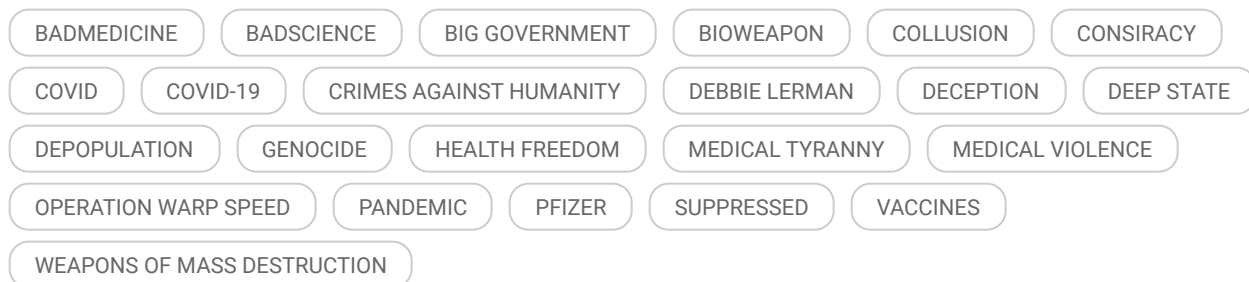

COVID was a pre-planned psychological operation and bioweapons plot to depopulate and reinvent the world. Find out more at [Genocide.news](https://www.genocide.news).
